

Oh How Low Our Redeemer Stooped

Oh how low our redeemer stooped the day that
He was born God from all eternity now by a virgin
borne To keep the law and prophets, to do what
we could not To present us to the living God a
people now blood bought

Amen! Amen! Blessed Be His name!
The lower He stoops to save us the higher
we'll lift Him up!

Oh how low our redeemer stooped to live a
humble life God from all eternity now met with
constant strife They tried to stone and kill Him
who made them in the womb Yet 'twas Christ who
laid down His own life, the Church's very groom

Amen! Amen! Blessed Be His name!
The lower He stoops to save us the higher
we'll lift Him up!

Oh how low our redeemer stooped to die upon a
cross God from all eternity now bears His wrath
for us Despised and mocked was Christ the LORD,
who wore a crown of thorns To present us to the
living God a people now reborn

Amen! Amen! Blessed Be His name!
The lower He stoops to save us the higher
we'll lift Him up!

Oh how great our redeemer is who died and rose
again God from all eternity, now Savior and now
friend Rejoice for we've been saved by the God
that we have wronged Oh the love of Christ the
living God to whom we now belong

Amen! Amen! Blessed be His name!
The lower He stoops to save us the higher
we'll lift Him up!
Amen! Amen! Blessed be His name!
The lower He stoops to save us the higher
we'll lift Him up!
Oh the lower He stoops to save us the higher
we'll lift Him up!

Jesus Strong and Kind

Jesus said That if I thirst
I should come to him No one else can satisfy
I should come to him

Jesus said If I am weak
I should come to him No one else can be my

strength
I should come to him

For the Lord is good and faithful
He will keep us day and night
We can always run to Jesus
Jesus strong and kind

Jesus said That if I fear
I should come to him No one else can be my
shield
I should come to him

For the Lord is good and faithful
He will keep us day and night
We can always run to Jesus
Jesus strong and kind

Jesus said If I am lost
He will come to me And he showed me on that
cross
He will come to me

For the Lord is good and faithful
He will keep us day and night
We can always run to Jesus
Jesus strong and kind

Grace Greater Than Our Sin

Marvellous grace of our loving Lord
Grace that exceeds our sin and our guilt
Yonder on Calvary's mount outpoured
There where the blood of the Lamb was spilt

Grace grace God's grace
Grace that will pardon and cleanse within
Grace grace God's grace
Grace that is greater than all our sin

Sin and despair like the sea waves cold
Threaten the soul with infinite loss
Grace that is greater yes grace untold
Points to the refuge the mighty Cross

Grace grace God's grace
Grace that will pardon and cleanse within
Grace grace God's grace
Grace that is greater than all our sin

Dark is the stain that we cannot hide
What can avail to wash it away
Look there is flowing a crimson tide
Whiter than snow you may be today

Grace grace God's grace
Grace that will pardon and cleanse within
Grace grace God's grace
Grace that is greater than all our sin

Marvellous infinite matchless grace
Freely bestowed on all who believe
You that are longing to see His face
Will you this moment His grace receive

Grace grace God's grace
Grace that will pardon and cleanse within
Grace grace God's grace
Grace that is greater than all our sin

Dark is the stain that we cannot hide
What can avail to wash it away
Look there is flowing a crimson tide
Whiter than snow you may be today

Isaiah 53: By His Wounds

Who could believe the word that was spoken
Christ the Messiah despised and forsaken
The one robbed in majesty hung on a tree
To bring salvation to those who believe

He was pierced for our transgressions
He was crushed for our sin
Man of sorrows, despised, rejected
Its by His wounds we are healed
Its by His wounds we are healed

He was oppressed and He was afflicted
The one by whom all things were created
It was the LORD's will to crush Him that day
To bear God's wrath and provide a way

He was pierced for our transgressions
He was crushed for our sin
Man of sorrows, despised, rejected
Its by His wounds we are healed
Its by His wounds we are healed

He committed no violence, He knew no sin
Yet was stricken for His people's transgres-
sion
When all of His people like sheep went astray
He took the debt we could never pay
Its by His wounds, Its by His wounds we're
saved
Its by His wounds, Its by His wounds we're
saved

He was pierced for our transgressions
He was crushed for our sin

Man of sorrows, despised, rejected
Its by His wounds we are healed
Its by His wounds we are healed

He committed no violence, He knew no sin
Yet was stricken for His people's transgres-
sion
When all of His people like sheep went astray
He took the debt we could never pay

We've been bought at such a cost
We've been saved by grace alone
Oh what love from Christ our savior
Its by His wounds we are healed
Its by His wounds we are healed
Its by His wounds we are healed

Hallelujah What A Savior

Man of sorrows what a name
For the Son of God who came
Ruined sinners to reclaim
Hallelujah what a Savior

Bearing shame and scoffing rude
In my place condemned He stood
Sealed my pardon with His blood
Hallelujah what a Savior

Guilty vile and helpless we
Spotless Lamb of God was He
Full atonement can it be
Hallelujah what a Savior

Lifted up was He to die
It is finished was His cry
Now in heaven exalted high
Hallelujah what a Savior

When He comes our glorious King
All His ransomed home to bring
Then anew this song we'll sing
Hallelujah what a Savior
