

Nothing But the Blood

What can wash away my sin Nothing but the blood of Jesus What can make me whole again Nothing but the blood of Jesus

O precious is the flow That makes me white as snow No other fount I know Nothing but the blood of Jesus

For my pardon this I see Nothing but the blood of Jesus For my cleansing this my plea Nothing but the blood of Jesus

O precious is the flow That makes me white as snow No other fount I know Nothing but the blood of Jesus

Nothing can for sin atone Nothing but the blood of Jesus Naught of good that I have done Nothing but the blood of Jesus

O precious is the flow That makes me white as snow No other fount I know Nothing but the blood of Jesus

This is all my hope and peace Nothing but the blood of Jesus This is all my righteousness Nothing but the blood of Jesus

O precious is the flow That makes me white as snow No other fount I know Nothing but the blood of Jesus

Alas and Did My Savior Bleed

Alas and did my Savior bleed And did my Sov'reign die Would He devote that sacred head For sinners such as I

At the cross at the cross Where I first

saw the light And the burden of my heart rolled away It was there by faith I received my sight And now I am happy all the day

Was it for crimes that I have done He groaned upon the tree Amazing pity grace unknown And love beyond degree

At the cross at the cross Where I first saw the light And the burden of my heart rolled away It was there by faith I received my sight And now I am happy all the day

Well might the sun in darkness hide And shut His glories in When Christ the mighty Maker died For man the creature's sin

At the cross at the cross Where I first saw the light And the burden of my heart rolled away It was there by faith I received my sight And now I am happy all the day

Thus might I hide my blushing face While Calvary's cross appears Dissolve my heart in thankfulness And melt mine eyes to tears

At the cross at the cross Where I first saw the light And the burden of my heart rolled away It was there by faith I received my sight And now I am happy all the day

But drops of grief can ne'er repay The debt of love I owe Here Lord I give myself away 'Tis all that I can do

At the cross at the cross Where I first saw the light And the burden of my heart rolled away It was there by faith I received my sight And now I am happy all the day

Holy Holy Holy

Holy holy holy Lord God Almighty Early in the morning Our song shall rise to Thee Holy holy holy Merciful and mighty God in three persons Blessed Trinity

Holy holy holy All the saints adore Thee Casting down their golden crowns Around the glassy sea Cherubim and seraphim Falling down before Thee Which wert and art And evermore shalt be

Holy holy holy Though the darkness hide Thee Though the eye of sinful man Thy glory may not see Only Thou art holy There is none beside Thee Perfect in power In love and purity

Holy holy holy Lord God Almighty All Thy works shall praise Thy name In earth and sky and sea Holy holy holy Merciful and mighty God in three persons Blessed Trinity

Holy holy holy Merciful and mighty God in three persons Blessed Trinity

Joyful Joyful

Joyful joyful we adore Thee God of glory Lord of love Hearts unfold like flow'rs before Thee Opening to the sun above Melt the clouds of sin and sadness Drive the dark of doubt away Giver of immortal gladness Fill us with the light of day

All Thy works with joy surround Thee Earth and heav'n reflect Thy rays Stars and angels sing around Thee Center of unbroken praise Field and forest vale and mountain Flowery meadow flashing sea Chanting bird and flowing fountain Call

us to rejoice in Thee

Thou art giving and forgiving Ever blessing ever blest Wellspring of the joy of living Ocean depth of happy rest Thou our Father Christ our Brother All who live in love are Thine Teach us how to love each other Lift us to the joy divine

Mortals join the mighty chorus Which the morning stars began Father love is reigning o'er us Brother love binds man to man Ever singing march we onward Victors in the midst of strife Joyful music lifts us sunward In the triumph song of life

When I Survey the Wondrous Cross

When I survey the wondrous cross On which the Prince of glory died My richest gain I count but loss And pour contempt on all my pride

Forbid it Lord that I should boast Save in the death of Christ my God All the vain things that charm me most I sacrifice them to His blood

See from His head His hands His feet Sorrow and love flow mingled down Did ever such love and sorrow meet Or thorns compose so rich a crown

His dying crimson like a robe Spreads o'er His body on the tree Then I am dead to all the globe And all the globe is dead to me

Were the whole realm of nature mine That were an offering far too small Love so amazing so divine Demands my soul my life my all
